Total _____

Our flags are of the highest quality, these are not printed or silk screened flags!

Our prices for flags include shipping!

We commissioned these flags because several people have asked us where to get a church flag to match their American flag. Please include a check with your order, we have a few flags in stock, and since we paid for them, please make your check payable to Canon Fred Rivers.

Send this form and payment to:

The Ven. Canon Fred Rivers
